

May 18, 2020

Dear Judge Paul A. Crotty,

I am currently a federal prisoner who has been in prison for over 14 years for wire fraud. I was scheduled to be released on May 12, 2020 from a program unit. I was recently informed that I would not be released because of the virus.

My first encounter with the government started during the 1980's after I had a personal problem with Joe Biden. I operated DuPont Model Management with Catalina Leisenring, the daughter-in-law of Julia duPont. Catalina was married to Edward Leisenring, who was a good friend of Joe Biden.

During the 1980's I published a story in a company newsletter about Biden's first presidential campaign paying Catalina \$1000's for photography work (Catalina is also a photographer). Biden and contacted me multiple

times with threats, including violent.
At the time Biden was having an affair
with Catalina, and would frequently
come to our office at 11 DuPont Circle
in DC and have sex with Catalina.

After being threatened by Biden, the FBI,
Postal Inspectors, and the Federal Trade
Commission (FTC) started terrorizing me
for years. Everything about Biden is
mentioned in depositions that I had
to give to the FTC in DC during the
1990's and to the federal prosecutors
in the Eastern District of Pennsylvania.
Copies of the newsletters were filed with
the court.

I am currently suffering from a life
threatening illness, and the B.O.P. refuses
to release me. I do fall into the
category of vulnerable inmates that
Attorney General William Barr recommended
to be released to home confinement
because of the virus.

Can you please come forward and help me, and expose Biden. I have been terrorized for years by corrupt government officials. I am willing to take a polygraph test regarding any of my claims about Biden.

Sincerely yours,
